for the 2021-22  
academic year.*

## WHAT WE DO

HS4LC is an established and respected charity working for the benefit of adults with learning difficulties and autism.

## OUR VISION

is for our beneficiaries to have the same rights and opportunities as everyone else.

We want to remove the barriers they face every day by helping them to achieve their personal best, so they may lead happy, healthy, safe and satisfying lives.

Harrogate Skills 4 Living Centre provides intensive education and tutoring for individuals and small groups.

Our courses are designed to stimulate people's interests and to give them the skills needed through adult education and leisure learning to help them:

- **Maintain independence and live independently**
- **Develop skills and interests**
- **Participate more fully in community life**
- **Find voluntary or paid employment**
- **Transition into adulthood**
